Subject:

Discussion and approval for the continued use of telecommunication services and remoted meetings based on current circumstances and local guidelines for a 30-day period. (AB 361)

Background:

On September 16, 2021, Governor Newsom signed into law Assembly Bill 361, a law that enables local public agencies to continue using teleconferencing without complying with certain Brown Act requirements. This bill is to be effective on October 1, 2021.

On September 29, 2021, the Imperial County Public Health Officer recommended that Imperial County continue remote public meetings of governmental entities (attached.)

On October 5, 2021, the Imperial County Board of Supervisors approved the adoption of a resolution that authorized the continued use of remote meetings for a period of 30 days.

Based on AB 361, if the proclaimed state of emergency remains and a local agency wishes to continue holding meetings in compliance with AB 361, action by the governing body must be reconsidered every 30 days by a majority vote.

Requested Action:

Adopt resolution of the CCP Training Subcommittee authorizing remote teleconference meetings for the period in accordance with the provisions of AB 361.

RESOLUTION OF THE CCP TRAINING SUBCOMMITTEE OF THE COUNTY OF IMPERIAL AUTHORIZING REMOTE MEETINGS IN ACCORDANCE WITH THE PROVISIONS OF STATE ASSEMBLY BILL 361.

WHEREAS, the Community Corrections Partnership is committed to preserving and nurturing public access and participation in meetings of the CCP Training Subcommittee; and

WHEREAS, with the adoption of State Assembly Bill 361 (“AB 361”), section 54963(e) of the California Government Code was amended to make provisions for remote teleconferencing participation in meetings by members of a local legislative body, without compliance with the requirements of 54953(b)(3) of the California government Code, subject to the existence of certain conditions; and

WHEREAS, a required condition is that a state of emergency is declared by the Governor pursuant to section 8625 of the California Government Code, proclaiming the existence of conditions of disaster or extreme peril to the safety of person and property within the state caused by conditions as described in section 8558 of the California Government Code; and

WHEREAS, on March 4, 2020, the Governor proclaimed pursuant to his authority under 8625 of the California Government Code, that a state of emergency exists with regard to the novel coronavirus (a disease now known as COVID-19); and

WHEREAS, on June 4, 2021, the Governor clarified that the “reopening” of California on June 15, 2021 did not include any change to the proclaimed state of emergency or the powers exercised thereunder; and

WHEREAS, as of the date of this Resolution, neither the Governor nor the Legislature have exercised their respective powers pursuant to 8629 of the California Government Code to lift the state of emergency, either by proclamation or by concurrent resolution in the State Legislature; and

WHEREAS, the Local Health Officer for the County of Imperial has recommended that the local legislative bodies that are subject to the Brown Act continue to meet remotely when possible, and that social distancing continues to provide a means by which to reduce the transmission of COVID-19; and

WHEREAS, the CCP Training Subcommittee believes that it is in the best interest of the public to continue holding remote meetings during the existing state of emergency in accordance with the requirements of AB 361.

NOW, THEREFORE, the CCP Training Subcommittee resolves as follows:

- (1) The Recitals set forth above are true and correct and are incorporated into this Resolution by this reference.
- (2) A proclaimed state of emergency exists as a result of the COVID-19 pandemic.
- (3) The Local Health Officer recommends that all local legislative bodies that are subject to the Brown Act continue to meet remotely when possible, and that social distancing continues to provide a means by which to reduce the transmission of COVID-19.
- (4) The meeting organizer for the CCP Training Subcommittee is hereby authorized and directed to take all actions necessary to carry out the intent and purpose of this Resolution, including implementing social distancing measures at meetings, and conducting meetings in accordance with section 54953(e) of the California Government Code, and other applicable provisions of the Brown Act.

(5) This Resolution shall take effect immediately upon its adoption, and shall be effective until the earlier of thirty (30) days from adoption of the Resolution or such time the CCP Training Subcommittee takes action to extend the time during which it may continue to meet remotely without compliance with section 54953(b)(3) of the California Government Code.

Recommendation Regarding Continued Remote Public Meetings of Governmental Entities in Imperial County.

Issued: September 29, 2021

In light of the continued state of emergency related to COVID-19, the Imperial County Health Officer continues to recommend that public bodies meet remotely to the extent possible, specifically including use of newly enacted Assembly Bill 361 to maintain remote meetings under the Ralph M. Brown Act and similar laws.

Among other reasons, this recommendation is made due to the continued threat of COVID-19 to the community, the unique characteristics of public governmental meetings (such as the increased mixing associated with bringing together people from across the community, the need to enable those who are immunocompromised or unvaccinated to be able to safely continue to fully participate in public governmental meetings, and the challenges with fully ascertaining and ensuring compliance with vaccination and other safety recommendations at such meetings), and the continued increased safety protection that social distancing provides as one means by which to reduce the risk of COVID-19 transmission.

The Imperial County Health Officer will continue to evaluate this recommendation on an ongoing basis, and will communicate when there is no longer such a recommendation with respect to meetings for public bodies.

Housing

Housing is now open! Please see the housing information and reservation links below.

Please Note: Any hotel or travel company that solicits reservations is not endorsed by or associated with AJA. Hotels should not be contacting you, unless you have initiated contact with them.

Why Stay at an Official AJA Hotel?

Great Rates. AJA has negotiated special housing rates—typically well below the standard rates available to the public—for attendees and exhibitors at the following hotels. Booking a reservation in the AJA block makes it possible for AJA to secure the meeting space necessary for the conference at a reduced price to the association. If AJA falls below our guaranteed room nights at the official hotels, we could incur a financial penalty. By staying in the AJA block, you help us to meet the association’s obligation to the hotel, avoid penalties, and keep event costs (and therefore registration costs) down.

Easy Access to AJA Conference Events. Staying in the AJA room block keeps you connected with informal activities and other opportunities that occur at the host hotel during the event.

Increased Networking Opportunities. You have a greater chance of interacting with fellow attendees by staying in the block. Strike up conversations in the hotel lobby, the elevator, or at the hotel food outlets,

and make connections to improve your conference experience.

Relaxing Stay. Arrive a few days early, or stay a few days after to enjoy the beautiful sights. Our event hotels offer discounted rates based on availability.

AJA Assistance. When you choose other hotels outside of the AJA block, the organization has no contacts or leverage to help rectify a problem that you may have encountered.
