Recommendation Regarding Continued Remote Public Meetings of Governmental Entities in Imperial County.

Issued: September 29, 2021

In light of the continued state of emergency related to COVID-19, the Imperial County Health Officer continues to recommend that public bodies meet remotely to the extent possible, specifically including use of newly enacted Assembly Bill 361 to maintain remote meetings under the Ralph M. Brown Act and similar laws.

Among other reasons, this recommendation is made due to the continued threat of COVID-19 to the community, the unique characteristics of public governmental meetings (such as the increased mixing associated with bringing together people from across the community, the need to enable those who are immunocompromised or unvaccinated to be able to safely continue to fully participate in public governmental meetings, and the challenges with fully ascertaining and ensuring compliance with vaccination and other safety recommendations at such meetings), and the continued increased safety protection that social distancing provides as one means by which to reduce the risk of COVID-19 transmission.

The Imperial County Health Officer will continue to evaluate this recommendation on an ongoing basis, and will communicate when there is no longer such a recommendation with respect to meetings for public bodies.

El Centro, CA 92243

Subject:

Discussion and approval for the continued use of telecommunication services and remote meetings based on current circumstances and local guidelines for a 30-day period. (AB 361)

Background:

On September 16, 2021, Governor Newsom signed into law Assembly Bill 361, a law that enables local public agencies to continue using teleconferencing without complying with certain Brown Act requirements. This bill is to be effective on October 1, 2021.

On September 29, 2021, the Imperial County Public Health Officer recommended that Imperial County continue remote public meetings of governmental entities (attached.)

On October 5, 2021, the Imperial County Board of Supervisors approved the adoption of a resolution that authorized the continued use of remote meetings for a period of 30 days.

Based on AB 361, if the proclaimed state of emergency remains and a local agency wishes to continue holding meetings in compliance with AB 361, action by the governing body must be reconsidered every 30 days by a majority vote.

Requested Action:

Adopt resolution of the CCP Executive Committee authorizing remote teleconference meetings for the period in accordance with the provisions of AB 361.

**RESOLUTION OF THE CCP EXECUTIVE COMMITTEE OF THE COUNTY OF IMPERIAL
AUTHORIZING REMOTE MEETINGS IN ACCORDANCE WITH THE PROVISIONS OF
STATE ASSEMBLY BILL 361.**

WHEREAS, the Community Corrections Partnership is committed to preserving and nurturing public access and participation in meetings of the CCP Executive Committee; and

WHEREAS, with the adoption of State Assembly Bill 361 (“AB 361”), section 54963(e) of the California Government Code was amended to make provisions for remote teleconferencing participation in meetings by members of a local legislative body, without compliance with the requirements of 54953(b)(3) of the California government Code, subject to the existence of certain conditions; and

WHEREAS, a required condition is that a state of emergency is declared by the Governor pursuant to section 8625 of the California Government Code, proclaiming the existence of conditions of disaster or extreme peril to the safety of person and property within the state caused by conditions as described in section 8558 of the California Government Code; and

WHEREAS, on March 4, 2020, the Governor proclaimed pursuant to his authority under 8625 of the California Government Code, that a state of emergency exists with regard to the novel coronavirus (a disease now known as COVID-19); and

WHEREAS, on June 4, 2021, the Governor clarified that the “reopening” of California on June 15, 2021 did not include any change to the proclaimed state of emergency or the powers exercised thereunder; and

WHEREAS, as of the date of this Resolution, neither the Governor nor the Legislature have exercised their respective powers pursuant to 8629 of the California Government Code to lift the state of emergency, either by proclamation or by concurrent resolution in the State Legislature; and

WHEREAS, the Local Health Officer for the County of Imperial has recommended that the local legislative bodies that are subject to the Brown Act continue to meet remotely when possible, and that social distancing continues to provide a means by which to reduce the transmission of COVID-19; and

WHEREAS, the CCP Executive Committee believes that it is in the best interest of the public to continue holding remote meetings during the existing state of emergency in accordance with the requirements of AB 361.

NOW, THEREFORE, the CCP Executive Committee resolves as follows:

- (1) The Recitals set forth above are true and correct and are incorporated into this Resolution by this reference.
- (2) A proclaimed state of emergency exists as a result of the COVID-19 pandemic.
- (3) The Local Health Officer recommends that all local legislative bodies that are subject to the Brown Act continue to meet remotely when possible, and that social distancing continues to provide a means by which to reduce the transmission of COVID-19.
- (4) The meeting organizer for the CCP Executive Committee is hereby authorized and directed to take all actions necessary to carry out the intent and purpose of this Resolution, including implementing social distancing measures at meetings, and conducting meetings in accordance with section 54953(e) of the California Government Code, and other applicable provisions of the Brown Act.

(5) This Resolution shall take effect immediately upon its adoption, and shall be effective until the earlier of thirty (30) days from adoption of the Resolution or such time the CCP Executive Committee takes action to extend the time during which it may continue to meet remotely without compliance with section 54953(b)(3) of the California Government Code.

¹First and second checked bags. Weight and size limits apply. A golf bag or skis in a container acceptable to Southwest can be substituted for one checked bag.

²If you need to change an upcoming flight itinerary, you'll only pay the cost in fare difference.

³Failure to cancel a reservation at least 10 minutes prior to departure may result in forfeited Travel Funds.

⁴Flight credits for non-refundable fares will be issued as long as the flight is cancelled more than 10 minutes prior to the scheduled departure. Flight credits unexpired on or created on or after July 28, 2022 do not expire and will show an expiration date until our systems are updated. A flight credit with an expiration date on or before July 27, 2022, is expired in accordance with its existing expiration date. See My Account for flight credit expiration dates, if any.

⁵Transferable Flight CreditTM: Transferable Flight CreditsTM allows you to transfer your flight credit to someone else. Both must be Rapid Rewards[®] Members and only one transfer is permitted. Transferable Flight CreditsTM unexpired on or created on or after July 28, 2022 do not expire and will show an expiration date until our systems are updated. A Transferable Flight CreditTM with an expiration date on or before July 27, 2022, is expired in accordance with its existing expiration date. For bookings made through a Southwest[®] Business channel, there is a limitation to transfer only between employees within the organization.

⁶If there's an open seat on a different flight that departs on the same calendar day as your original flight and it's between the same cities, you can get a seat on the new flight free of airline charges. If there isn't an open seat on this different flight, you can ask a Southwest Gate Agent to add you to the same-day standby list for a flight between the same city pairs that departs on the same calendar day prior to your originally scheduled flight, and you will receive a message if you are cleared on the flight. For both the same-day change and same-day standby benefits, you must change your flight or request to be added to the same-day standby list at least 10 minutes prior to the scheduled departure of your original flight or the no-show policy will apply. Based on the flight status contact preference selected during booking, the message regarding your standby status will be an email or text message with a link to access the boarding pass via the Southwest app, mobile web, or you can visit a Southwest Gate Agent to print off the boarding pass. If there are any government taxes and fees associated with these itinerary changes, you will be required to pay those. Your original boarding position is not guaranteed.

⁷Refundable, as long as you cancel your reservation at least ten (10) minutes prior to the scheduled departure of your flight. If you cancel, you're eligible to receive 100% of your ticket value as a refund to your original form of payment. A Southwest flight credit from a previous reservation that is applied toward a Business Select or Anytime fare will be refunded as a flight credit. For travel booked with Rapid Rewards points, if canceled, points will be returned to the Rapid Rewards account holder who booked the ticket.

⁸Priority Lanes and Express Lanes, (where available), are designed to speed our Business Select and Anytime Customers, as well as A-List, and A-List Preferred Members, through check-in and security lines. Priority Lanes are at Southwest check-in counters, and Express Lanes are at security checkpoints.

⁹EarlyBird Check-In means you will automatically be checked in to your flight 36 hours prior to scheduled departure. For Anytime fares purchased between 36 and 24 hours, the boarding position assignment process has begun so this may impact the boarding position assigned to you. If you purchase an Anytime fare within 24 hours of your flight's scheduled departure, you will not receive the EarlyBird Check-In benefit. In an irregular operation situation, the boarding position is not guaranteed.

¹⁰Flights traveling 175 miles or less only serve water.

¹¹Points can be earned from (a) qualifying flights booked and flown through Southwest or (b) through qualifying purchases with our Rapid Rewards partners. Qualifying flights include flights paid entirely with dollars, LUV Vouchers, gift cards or flight credits, and with no portion of the purchase price paid for with Rapid Rewards points.

*Calculation is based on the purchase price of \$458.96 for 11 monthly payments at 15% APR. Actual terms are based on your credit and other factors, and may vary. Not everyone is eligible and some states are not serviced, including IA and WV. Most loans offered through Uplift are issued by CBW Bank, Member of FDIC.
